

Work Vessels for Veterans is a 501-(c)(3) nonprofit, charitable organization with the mission to award equipment to America's injured veterans so they may start a business or pursue career education.

- We are **UNIQUE, INNOVATIVE, and NIMBLE**
NO OTHER nonprofit is solely dedicated to awarding critical/adaptive equipment to injured veteran-entrepreneurs, with limited red-tape, and creative solutions.
We are VOLUNTEERS - Administrative overhead is UNDER 2%
- Veterans are matched with qualified volunteer and peer-to-peer mentors
- **OVER 2400** injured veterans have been assisted since 2008
- In all 50 states
- More than **\$3.4 Million** in equipment sent to injured veteran enterprises*
- Over **\$16 Million** in economic activity created by new veteran businesses*
- More than **500** new businesses creating in excess of **2000** new jobs*
- **\$3 Million** in corporate “inkind” donations awarded since 2008*

***Work Vessels for Vets** provides critical equipment and direct services to injured veterans who see self-employment as a way forward to accommodate frequent medical appointments and “bad days.”* Our commitment is recognized with the highest national ratings including GUIDE STAR’s highest recognition - **PLATINUM STATUS** for Efficiency & Transparency, **TOP RATED NONPROFIT** by GreatNonProfits rating agency, and Accredited Charity by Better Business Bureau.*
