We are VERY proud to announce that donations from individuals increased by 20% this year! WOW! We are so grateful that you stepped up to help us equip injured veterans as they start new businesses. We were able to award over \$180,000 in assistance to help more than 100 veterans all across America.

We give special recognition and thanks to donors and partners like Chris Seeger, of NJ who personally stepped in to provide a 1:1 match so we could purchase a \$27,000 adapted tractor for SSGT Jeremy Lake, USMC who returned to revitalize his family's apple orchards in PA following 5 tours in Iraq and Afghanistan which resulted in combat injuries that earned 2 Purple Hearts.
